

Asbestos—Metro Place Only

- ◆ Asbestos must be securely wrapped in a water-proof covering capable of withstanding exposure to the elements for at least three months.
- ◆ Asbestos can be accepted if it is secured in bags, or wrapped in plastic on pallets, to be uplifted with a forklift.
- ◆ As asbestos is kept in a secure compound you must advise EcoDepot Metro Place at least one day in advance of your intended delivery.
- ◆ Inform the kiosk operator that you are disposing of asbestos. They will then print the necessary permit for you.
- ◆ Deliveries cannot be accepted at peak times: 11:30am-1:30pm, after 3:45pm or on weekends.
- ◆ Meta NZ Ltd reserves the right to inspect loads, and reject non-compliant loads.

Ash—Styx Mill Rd Only

- ◆ Ash must be delivered cold and damp, and put in the designated Ash bay.
- ◆ Non-compliant loads will be charged a 20% surcharge.

Bio-Waste—Styx Mill Rd Only

- ◆ An effluent dump service is available free of charge at EcoDepot Styx Mill.
- ◆ Please be aware of hygiene concerns when disposing of this waste.

Current fee information is available at any EcoDepot kiosk, at www.ecodepot.co.nz, or by contacting the call centre on 941 7513.

Thank you for your co-operation.
